

Workshop Steering Committee and Participants

National Mercury Monitoring Workshop Steering Committee

Rick Artz, National Oceanic and Atmospheric Administration
Tom Atkeson, Florida Department of Environmental Protection
Ryan Callison, Cherokee Nation
Charles Driscoll, Syracuse University
Dave Evers, Biodiversity Research Institute
David Gay, National Atmospheric Deposition Program
Rick Haeuber, U.S. Environmental Protection Agency
Dave Krabbenhoft, U.S. Geological Survey
Rob Mason, University of Connecticut
Greg Masson, U.S. Fish and Wildlife Service
Kristi Morris, National Park Service
David Schmeltz, U.S. Environmental Protection Agency
Ed Swain, Minnesota Pollution Control Agency

Workshop participants

Rick Artz, National Oceanic and Atmospheric Administration
Jesse Bash, U.S. Environmental Protection Agency
Mark Brigham, U.S. Geological Survey
Russ Bullock, U.S. Environmental Protection Agency
Neil Burgess, Environment Canada
Mark Castro, University of Maryland Center for Environmental Sciences
Mark Cohen, National Oceanic and Atmospheric Administration
Jay Davis, San Francisco Estuary Institute
Charles Driscoll, Syracuse University
Dan Engstrom, Science Museum of Minnesota
Dave Evers, BioDiversity Research Institute
David Gay, National Atmospheric Deposition Program
Cindy Gilmour, Smithsonian Environmental Research Center
John Goodrich-Mahoney, Electric Power Research Institute
Mae Gustin, University of Nevada
Rick Haeuber, U.S. Environmental Protection Agency
Colleen Haney, U.S. Environmental Protection Agency
Chad Hammerschmidt, Wright State University

Reed Harris, Tetra Tech
Susan Holdsworth, U.S. Environmental Protection Agency
Neil Kamman, Vermont Department of Environmental Conservation
Chris Knightes, U.S. Environmental Protection Agency
Dave Krabbenhoft, U.S. Geological Survey
Ellen Kurlansky, U.S. Environmental Protection Agency
Greg Lampman, New York State Energy Research and Development Authority
Dixon Landers, U.S. Environmental Protection Agency
Matt Landis, U.S. Environmental Protection Agency
Tony Lowery, National Oceanic and Atmospheric Administration
Winston Luke, National Oceanic and Atmospheric Administration
Rob Mason, University of Connecticut
Mike Meyer, Wisconsin Department of Natural Resources
Bruce Monson, Minnesota Pollution Control Agency
Kristi Morris, National Park Service
Sam Napolitano, U.S. Environmental Protection Agency
Christine Negra, ICF International
Tiffany Parson, U.S. Fish and Wildlife Service
Eric Prestbo, Tekran Instruments Corporation
Barnett Rattner, U.S. Geological Survey
Darren Rumbold, Florida Gulf Coast University
Tony Scheuhammer, Environment Canada
David Schmeltz, U.S. Environmental Protection Agency
Larry Scrapper, Cherokee Nation
Tim Sharac, U.S. Environmental Protection Agency
Darell Slotton, University of California
Bob Stevens, Florida Department of Environmental Protection
Ed Swain, Minnesota Pollution Control Agency
Robert Wayland, U.S. Environmental Protection Agency
Jim Wiener, University of Wisconsin-La Crosse
