

NADP Spring 2025 Meeting
Critical Loads of Atmospheric Deposition (CLAD)
Science Committee Meeting
May 6, 2025 – 12:00-3:00pm ET

With NADP moving to an all virtual format for this spring, we will be meeting in advance of the scheduled NADP Spring Meeting to discuss the network optimization strategy and other CLAD topics. Please register in advance for the CLAD meeting at this link and you will receive an email with a calendar invite and Zoom session link:
